

VOLUME 1, ISSUE 49

September 29, 2017

Lois' Corner!

The year has started and we're excited to get rolling with mentoring and family nights. We are always looking to recruit more mentors as there is never a shortage of students who could benefit from extra reading support from a caring adult. If businesses and their employees want to get involved, we are more than happy to bring the mentor training to you. Otherwise, we have mentor trainings scheduled and on the [calendar](#) on our website that take place at United Way. Just one hour a week is all it takes to make an impact and help give students the extra push they need to be confident readers. Visit our website for more information on how to sign up.

Energizing Education

Arnold Elementary School

Mentors and Students Start the Year at Arnold

New mentors have been trained, returning mentors are ready to get back into it, and we're all excited to watch newly matched students and mentors get to know each other each week. To close out the month which was spent making sure the Literacy Lounge was ready to go, this week mentors and students met with each other for the first time.

The sound of voices chatting and reading has us full with excitement for what the rest of the school year will bring.

It's important to start every school year out strong and with achievable goals in mind. Energizing Education provides parents with tips and resources at all of our family nights during the school year. Until our first one, one great way parents can help with setting students up for success is by making sure children read at least 20 minutes a day. We mention this all the time throughout the year, but it's important to remember that reading 20 minutes a day can add up to 3,600 minutes in a school day and over 1,800,000 words! By the end of 6th grade your child will have read the equivalent of 60 school days, which is pretty impressive and having a bigger vocabulary is extremely beneficial to succeeding both in and outside of school.

Follow Energizing Education on Facebook and remember to check our website for more resources on that can help towards building a strong literacy environment at home.

Thank you Consumer's Energy for the VIP Grant!

October Mentor Training Calendar

Date	Time	Type	Location
October 4	3:00-4:30 pm	EE Mentor	United Way, Conference Room C
October 9	3:00-4:30 pm	EE Mentor	United Way, Conference Room C
October 17	1:00-2:30 pm	EE Mentor	United Way, Conference Room D
October 23	10:00-11:30 am	EE Mentor	United Way, Conference Room C

Literacy Tip of the Month

Limit screen time

Put a limit on how much time your child spends watching tv, playing video games, and playing on tablets so there is more time for reading books, spending time outdoors being active, or playing games as a family.

Mark your calendars...
our first family night this year
is coming up!

Scooby Doo Mystery Night is
October 12th
5:30-7:00 pm!

Follow Energizing Education

Just in time for Fall, the Jackson District Library is offering several programs. All month there will be a "DIY Fidget Spinner" program offered at several of our branches. On October 14th at the Carnegie branch there will be a "Not-so-Spooky" family event. This event will feature a haunted maze and trick-or-treating throughout the library. All Lego brick builders are welcome to join the Lego club at Carnegie for an afternoon of building on October 21st. Call the library at 788-4087 (ext. 1331) or visit our website @ www.myjdl.com, for more information.
